

Our Mission

Sunflower Hill will become a model for affordable special needs living and activities in the San Francisco Bay Area by creating life-long residency options with an enhanced quality of life.

We are seeking a location for our community with one of the following potential models:

- FARM/RANCH concept with agricultural/vocational options.
- METRO living with access to vocational options within the greater community and enhanced social interactions.
- SENIOR/AFFINITY concept that combines the need for affordable living for typical seniors with individuals with special needs. This concept could offer some hybrid agriculture/metro activity choices as well.

Why the Sunflower?

Our name, Sunflower Hill, was specifically chosen for its symbolism. Sunflowers originated in the Americas in 1000 B.C. They are considered gifts of radiant warmth and are the happiest of the flowers. Their meanings include loyalty and longevity, nourishment and vibrancy. This is the vision we have for the Sunflower Hill community – a place where all individuals can thrive.
