# THANK YOU

for supporting adults with intellectual and developmental disabilities!

Dear Sunflower Hill Supporter,

It was such a joy to see so many of you in person at the Bankhead Theater at the Sunflower Showcase a few weeks ago! Our sincere thanks to all who attended the event either in person or virtually, and to our event sponsors for their generous support of the mission and vision of Sunflower Hill. I hope that you found the evening as magical as I did!

We appreciated and hope that you enjoyed listening to the musical talents of Paul and Jessi during the VIP reception. Thank you to Becca, Chris, Della, Jennifer, Paolo, Patrick, Peter, Robby, and Shannon who shared their artwork or poems. The range of talent and styles of art and poetry on view was gorgeous, and we were honored to have their works with us for the evening. We hope you will view each of our artists' bios in our Event Program.

Thank you to Andrew and Hester from Futures Explored Film and Media Studio who introduced their honest and poignant short film, <u>Inclusion</u>. We hope that you were inspired, as we were, by Irby Ranch Resident, Jennifer, who shared her <u>thoughts on living independently</u>. (Turn on the closed captioning for best viewing). The event, emceed by Regina Stoops, was <u>full of laughter</u>, and yes, a few happy tears. Regina wove the evening together with her comedic wit and storytelling. We shared many memorable moments in our <u>Year-in-Review</u> video. A <u>special performance</u> by America's Got Talent Season 14 Winner Kodi Lee, rounded out the evening. If you would like to revisit a portion of the evening - or if you were unable to attend - you can find the <u>entire program recording</u> on our YouTube channel.

Help Us Close the Gap!

This year has been a year of growth for Sunflower Hill. Like other organizations, we have managed the challenges of the ever-evolving pandemic while continuing to offer exceptional programs and activities. We had an ambitious goal of raising \$200,000 on the night of the event and fell short of that goal by about \$30,000. We hope that you will help us close the gap by **donating and participating in our Auction Encore**. Please share this message with friends and family. Each gift we receive is meaningful and makes an impact! If you're inspired by what we

were able to accomplish during this last year, we hope that you will help us close the gap and continue to support our efforts to create places and places where adults with intellectual and developmental disabilities thrive. Thank you!

From all of us at Sunflower Hill, thank you for being a part of the work we do each day.

All my best,

Edie
